You go where you don't belong

You've been digging in the rubble

getting bitches in trouble

Fido, your leash is too long

Fido, your leash is too long

I don't know where I went wrong

You scare me out of my wits

when you do that Shitzu

Fido, your leash is too long

Fido, you've gone far enough

I must have all of your love

You've just run out of luck

I don't care what you foxhounds do

but your leash is too long

14 *How Fucking Romantic*

How fucking romantic
All the stars are out
twinkling twinkling twinkling
and fluttering about
What a tacky sunset
What a vulgar moon
Play another charming
Rodgers & Hart tune
How fucking romantic
Must we really waltz
Drag another cliché
howling from the vaults
Love you, obviously,
like you really care,
even though you treat me
like a dancing bear
Toss your bear a goldfish
as it cycles by
Don't forget to feed your bear
or it'll die

20 *My Sentimental Melody*

Intro: C G Am F G

I'm a ^Chopeless romantic

You're a ^Fterrible flirt

Cool and unfazed, you're ^{B♭}always ^Famazed

when someone gets ^Ghurt

I live ^Con the blue planet

that I ^Fsaw in your eyes

but now I can't ^Gstay

^{B♭}knowing it's ^Fmade

of beautiful ^Glies

But ^Cmy sentimental melody ^{Em}

^{Am}like a long-lost lullabye ^G

will ^Fring in your ^{Em}ears

^Edown through the ^{Am}years

^Fbringing a ^Gtear to your ^Ceye ^G

Love ^Ccan kill people,

can't it

Well it ^Fstill may kill me

^CEach drop of ^Grain

is a ^{B♭}glass of ^Fchampagne

It's ^Gsweet and it's free

When I ^Cdrink I don't panic

When I ^Fdrink I don't die

^CWhen I'm ^Gfar gone

^{B♭}it's all ^Fjust a song

just beautiful ^Glies (C)

21 *Nothing Matters When We're Dancing*

^FDance with me ^Cmy ^{B♭}old friend

once before we go

Let's pretend this song won't end

and we never have to go home

and we'll ^{Gm}dance among the ^Cchandeliers

^FAnd nothing matters when we're ^{B♭}dancing

^CIn tat or tatters you're ^Fentrancing

Be we in Paris or in ^{B♭}Lansing

^Cnothing matters when we're ^Fdancing

^Cnothing matters when we're ^Fdancing.

You've never been more beautiful

your eyes like two full moons

as here in this poor old dancehall

among the dreadful tunes

the awful songs we don't even hear (C)

22 Sweet-Lovin' Man

^A There's an hour of sunshine ^G
^A for a million years of rain ^G
but somehow ^{F#m} that always seems to be ^D
^E enough ^{Esus4}

When love falls from the sky

nobody ever asks why

You just take it or you leave it

Where it was

but there's just ^{Bm} one kind of love ^E

you can spend your life dreaming of

^A For the love of a sweet-lovin' man ^G ^D
^{F#m} some have traveled far and wide ^E ^D
^{F#m} some have given up and died ^E ^D

For the love of a sweet-lovin' man

some have broken down and cried

some have turned to dust inside

but I'll stay right here and hide

^A in the arms of my sweet-lovin' man. ^G ^A ^G

Until you've had sweet lovin'

there's no lovin' worth the name

but you can go blind

from crying all the time

and who said life was easy

and who said a man was fair

Well I wish you well

but keep your paws off mine

You can't buy one at the mall

but he'll come if you just call. (C)

23 *The Things We Did and Didn't Do*

B
All the things I *A* knew I didn't *E* know and didn't want
to know
that you told me just to tell me later that you'd
told me so
Come flooding back to me now
Come on
Come flooding back to me now
All the things you said you'd never say and you said
anyway
The things we did and didn't do
The things we did and didn't do
come flooding back to me now

24 *Roses*

Buy more stock in roses
Millionaires will always woo
Don't be shocked if roses
make a millionaire of you

25 *Love is Like Jazz*

Love is like jazz
You make it up as you go along
and you act as
if you really knew the song
but you don't
and you never will
so you flaunt your mistakes
and you make them until
they were you
Love is like jazz
the same song a million times
in different ways
"Strange Fruit" with
and without wind chimes
It's divine
It's asinine
It's depressing
and it's almost entirely
window dressing
but it'll do

When My Boy Walks Down the Street

D *A* *C* *G*
Grand pianos crash together
D *A* *G* *D*
when my boy walks down the street
D *A* *C* *G*
There are whole new kinds of weather
D *A* *G* *A*
when he walks with his new beat

Everyone sings hallelujah
when my boy walks down the street
Life just kind of dances through ya
from your smile down to your feet

D

G *D* *A*
he's a whole new form of life
D
blue eyes blazing
A *D* *A* *C* *G* *D* *A* *G* *A*
and he's going to be my wife.

The world does the hula-hula
when my boy walks down the street
Everyone thinks he's Petula
so big and yet so petite
Butterflies turn into people
when my boy walks down the street
Maybe he should be illegal
He just makes life too complete (C)

G *D* *A* *C*
Oh, shadows of echoes of memories
G *D* *A*
Oh, things that he brings that he found in the sea
Oh, shadows of echoes of memories of songs
Oh, how could he know that it won't be long (C)

Grand pianos crash together

Everyone sings hallelujah
when my boy walks down the street
Life just kind of dances through ya
from your smile down to your feet

27 *Time Enough for Rocking When We're Old*

There'll be B^b time enough for E^b rocking when we're B^b old
We can rock all day in rocking chairs of gold
but tonight I think I'd rather just go E^b dancing B^b
There'll be time enough for F rocking when we're B^b old,
my F lo-ve E^b F B^b

There'll be time enough for talk in the nursing home
Darling, time enough to write an epic poem
but tonight I think I'd rather just go dancing
There'll be time enough for talking in the home, my
love

There'll be time enough for sleeping when we're
dead

You will have a velvet pillow for your head
but tonight I think I'd rather just go dancing
There'll be time enough for sleeping when we're
dead, my love

There'll be time enough for sex and drugs in Heaven
when our pheromones are turned up to 11
but tonight I think I'd rather just go dancing
There'll be time enough for sex and drugs in
Heaven, my love
and time enough for rocking when we're old

28 *Very Funny*

D Everybody A knows but G $F^{\#}m$ me
 Em when you go A where you Em shouldn't be A
Everybody knows but me
where you go when you're feeling free
 Em Everybody A knows but me D A G $F^{\#}m$ Em A

So you go there for a laugh
You just go to take photographs
To believe that, I'd be daft
but yes I think you go for a laugh
And you say, D I love you A honey
Very funny

29 *Grand Canyon*

D G D G D

D G D
If I was the Grand Canyon

G A
I'd echo everything you say

G D
but I'm just me

F# G
I'm only me

D A G
and you used to love me that way

D A D
so you know how to love me that way

If I was Paul Bunyan

I'd carry you so far away

but I'm just me

I'm only me

and you used to love me that way

so you know how to love me that way...

30 *No One Will Ever Love You*

Am G
If you don't mind

F
why don't you mind

Where is your sense of indignation

You are too kind

Much too kind

C G F
Where is the madness that you promised me

C G F E
Where is the dream for which I paid dearly

When things go wrong I sing along

It is the nature of the business

But you're not here to make my sad songs more

sincere

No one will ever love you honestly

No one will ever love you for your honesty

No one will ever love you honestly

No one will ever love you for your honesty

33 (Crazy for You But) Not That Crazy

E^b *A^b*
I built a ship with my own hands
E^b *A^b*
to take us to the moon
E^b *A^b*
I took a pen in my own hand
E^b *A^b*
and wrote you a hundred tunes

B^b *A^b* *E^b* *B^b*
Now I'm crazy for you but not that crazy

B^b *A^b*
I'm crazy for you but not that crazy.

[3rd time: *E^b* *B^b*]

E^b *A^b*
I pretended you were Jesus
E^b *A^b*
you were just dying to save me
E^b *A^b*
I stood beneath your window
E^b *A^b*
with my ukulele
E^b *A^b*
I made my yard a playground
E^b *A^b*
just in case we had a baby (C)

E^b *A^b*
I treated you like radium
E^b *A^b*
I treated you like God
E^b *A^b*
You were my glass menagerie
E^b *A^b*
Did you not find that odd
E^b *A^b*
I dwelt within and went without
E^b *A^b*
and broke my virgin flesh
E^b *A^b*
I performed acts of devotion
E^b *A^b*
as if you were Ganesh, but (C)

34 My Only Friend

D^b *E^b*
Billie you're a miracle
A^b *D^b*
and God knows I need one
E^b
Sing me something terrible
A^b *D^b*
that even dawn may come
B^bm *D^b*
You and me, we don't believe
E^b
in happy endings

E^b *A^b*
Hey, Lady Day,
D^b *E^b*
can you save my life this time
D^b *E^b*
Can you cry so beautifully
A^b *D^b*
you make my troubles rhyme
E^b *A^b*
Hey, Lady Day,
D^b *B^bm*
can you save my life again
E^b *A^b* *D^b*
My only love has gone away
E^b *B^b*
Will you be my only friend.

D^b *E^b*
Billie you're a genius
A^b *D^b*
enough to be a fool
E^b *A^b*
a fool to gamble everything
D^b
and never know the rules

Some of us can only live

in songs of love and trouble

Some of us can only live in bubbles (C)

35 Promises of Eternity

$F^\#$ $B F^\# C^\#$
What if the show couldn't go on
 $F^\#$ $C^\#$
What if we all got jobs
 $B F^\# C^\#$
and got to bed before dawn
 $F^\#$ $B F^\# C^\#$
What if Old Joe had to retire

What if all the stage hands were let go or fired

 $C^\#$ $B F^\#$
That's just like what the world would be
 $C^\#$ B
If you fell out of love with me

I can't let this happen to you
 B
Don't you let it happen to me
 $C^\#$ B
What would our friends and family say
 $F^\#$ $C^\#$
if they could only see
 $F^\#$
If you let this happen to us
 B
don't think you'd be setting me free
 $C^\#$ $B F^\#$
Wasn't it you and I who made *((only in the*
3rd chorus))

Wasn't it you and I who made
promises of eternity? ¡- don't end on $C^\#$ in 3rd
chorus

What if the lights didn't go on
What if the velvet curtain
had to be taken down
What if the clowns couldn't be clowns
and all those painted smiles
gave in to plaintive frowns
What if no show ever happened again ¡- for the
extra line,
No Seven, no 8 1/2, no Nine, and no "10" play the
sequence
All numbers and no mystery No promise of eternity
